An applicant for a dog license for any dog shall present to the Director of Finance a certificate of inoculation against rabies signed by a licensed veterinarian, which certificate shall have been executed some time during the previous thirty-six (36) month period if a three (3) year type of vaccine approved by the Director of Health was administered, or during the previous twelve (12) month period for all other vaccines, and which certificate shall bear thereon information as to the type vaccine used, sex of the dog, and, if a female, whether or not it has been spayed. The Director of Finance shall not issue a license unless such certificate shall be presented. Applications for a dog license shall be made, and the license obtained on or before the first (1st) day of March of each year, for the calendar year period. The full license fee shall be paid and collected for part of a year.
